An exceptional property nestled in the heart of Courchevel 1850, Chalet Beaumont benefits from a premium location, close to all amenities but above all to the slopes and ski lifts.

With a vast surface area of 837 sqm, perfectly spread out over 5 levels, the property easily accommodates 14 adults and 4 children for a stay in total comfort. Ideal for stays with families or friends, the chalet offers 6 large double bedrooms with all their own en suite bathrooms, as well as a relaxing children's bedroom with bunk beds.

Perfect fusion between a typical alpine exterior and contemporary ambience and decoration, the property offers on the ground floor a bright living room with a fully equipped kitchen, living room and dining room with balcony.

Chalet Beaumont benefits from high-end services and facilities. Within this sumptuous property, you will find a huge wellness area including a gym, a relaxation area with massage room, a beautiful spa area with swimming pool, sauna, hammam and Nordic bath, but you can also enjoy an amazing games room with billiards, table football and a bar.

The big plus point of this property is the numerous openings and outdoor areas that offer you a breathtaking view of nature and the surrounding peaks in both winter and summer.
