Villa Maro is simply mesmerizing – guaranteed one of the best luxury villa experiences in Corfu. It is a prime beachfront location overlooking a charming bay in the eastern part of Corfu. A secluded beach, luxurious facilities, an infinity pool and a huge lush garden are only some of the estate’s impressive highlights.

The property consists of two independent luxury private villas. Both villas can accommodate a total of 14 guests in 7 bedrooms and offer a vast variety of amenities which accommodates a top-class luxury resort. Perfect for an unforgettable Greek holiday experience!

The estate is located directly on the beach on a hill offering unobstructed and stunning views of the Ionian Sea. The surrounding area is very peaceful and secluded without being too far away from the next small town. This villa is the perfect place to reunite with your family and friends for a unique holiday on this beautiful Greek island.
